Dear Gentleman,

Olympic Academy has been running a competitive boys program in the *State of Ohio* for over **30 years now**. To this date, it has never been awarded a state championship event for boys, even though it has sponsored and hosted over **15** Championships for women!

Our Booster Parents are extremely dedicated individuals who have ran some of the most successful and rewarding state events the women's program can recall. Our organization tends to go ***above and beyond*** the "Norm" in terms of making these events nothing more than spectacular! Ask your girls team coaching staff!?

I sincerely hope you consider our organization for this seasons Championship event.

Date: **March 12 -13, 2010**
 April 3 - 4 , 2010

Location: **Heath Senior High School**
 Licking Valley Senior High
 Newark High School

All three of these sites are more than adequate and have auxiliary gyms.

Equipment: **AAI – Midwest Gym Supply / Paul Kemp**

Theme: ***Pirates of the Caribbean***

If you have any futher questions or concerns, please feel free to call me on my
Cell (740) 334 -6320, day or night.

Sincerely yours,

Kris
